I understand that this is a league that is organized as "Just for Fun" and that my team must show good sportsmanship at all times. I understand that verbal abuse and/or fighting with other players or umpires or any other unsportsmanlike conduct **will** result in player(s) ejection and suspension from future games. Any arguing that is "out of control" with an umpire will not be permitted and as the "Manager of Record", I will intervene and have the player acting inappropriately removed from the game.
